SIOUX FALLS, S.D. (AP) - The Justice Department has filed a civil lawsuit against the developers of 6 multifamily housing developments in Sioux Falls, claiming housing discrimination.

According to the complaint, defendants include Equity Homes Inc., PBR LLC, BBR LLC, Shane Hartung, Scott Snoozy, Myron Van Buskirk, Wayne Hansen, Martin McGee and Sertoma Hills Villas Association Inc.

The six complexes are East Briar Apartments, West Briar Apartments, Kensington Apartments, Beverly Gardens Apartments, Sertoma Hills Apartments and Sertoma Hills Villas.

The lawsuit alleges that the developers violated the Fair Housing Act by designing and building units that didn't accommodate the special needs of elderly and disabled tenants.

Defendants have not responded to the complaint.
